Objective

Computer Science Engineering student (B.Tech, 2022–2026) with academic knowledge of C++ and foundational understanding of Data Structures and problem-solving. Eager to apply and strengthen my programming skills through hands-on industry experience. Passionate about learning, building real-world projects, and contributing to impactful tech teams.

Education

- **College of Engineering Roorkee , Uttarakhand**
B. Tech | Computer Science | UTU | 7th Semester | 2022-2026
- **Army Public School No.1 Roorkee, Uttarakhand**
XII | PCM | CBSE | 86.2% | 2022
X | CBSE | 93% | 2020

Projects

- **Jewellery Landing Page**
Designed an aesthetically pleasing landing page for a fictional jewellery brand using HTML and CSS.
- **Personal Portfolio Website**
Created a responsive and clean personal website using HTML, CSS, and JavaScript to showcase skills and projects.
- **Fake Social Media Profile Detection System**
Developed the frontend interface for a fake profile detection tool using ANN. Focused on creating a user friendly layout with HTML,CSS,JS.
- **Electricity Demand Projection Website**
Built the frontend of a web app that forecasts electricity demand using HTML, CSS, and JavaScript. Collaborated with the backend team (Flask) and supported basic data cleaning for accurate results.

Skills

Technical Skills

- **Programming Languages** - C, C++, Java (academic-level programming)

- **Frontend Development** - HTML , CSS , JavaScript
- **Design Tools** - Figma (basic level – used for web UI templates)
- **Core CS Concepts** - Data Structures & Algorithms (basic) , OOP, DBMS , SQL (basic)

Soft Skills

- Time Management
- Team Collaboration
- Presentation & Documentation

Currently Learning

- Practicing DSA on **GeeksforGeeks (GFG)** and **LeetCode**
- Actively learning Git & GitHub for version control and team collaboration
- Planning to explore backend development using Node.js

Certifications and Internships

- Web Development Intern – CodSoft (July 2023 – Aug 2023)
- Web Development Intern – OasisInfobyte (June 2024) • Web Development Course – MTA
- Minitab Workshop – IIT Roorkee , Saharanpur Campus
- Completed “GFG 160 Days of Problem Solving” – GeeksforGeeks
- Completed the **Deloitte** Australia Technology Virtual Internship on **Forage**

Hackathons and Achievements

- **Finalist** – Smart India Hackathon (SIH) 2024
- Manthan 2k23 Hackathon – COER
- 12-hour Hackathon – CSE Department, COER
- Ideathon – Samadhan 2022 | 7th position – BTKIT Dwarahat

Position Of Responsibility

Management Team Member | Game Developing Committee (GDC)

Helped coordinate logistics and participant experience during a National Hackathon (Nov 2022) at COER.
